

InterAct of Michigan

POSITION: Community Treatment Team Peer Specialist – Full-time

MINIMUM REQUIREMENTS:

Two years of college and/or experience working with the target population. Experience as a recipient of public mental health services who has achieved a solid level of recovery necessary to fully complete job duties. Good communication, organizational ability and problem-solving skills needed. Certified Peer Support Specialist preferred. Experience with an electronic health record beneficial. Proven computer skills essential. Valid Michigan driver's license and a vehicle to transport. Ability to perform work in community settings which may not be barrier-free.

MAJOR RESPONSIBILITIES AND RELATED TASKS:

1. Provide effective integrated recovery-oriented direct services as part of a collaborative CTT team to participants that help them to meet their personal treatment goals.
 - Assist in linking individuals to other community resources such as housing and benefits.
 - Assist in transport for medical appointments or for meeting basic needs or to support participation in other identified treatment goals—vocational, education etc.
 - Provide one-to-one recovery coaching tailored to the specific recovery targets of individuals and based on careful self-disclosure, offering hope, empathy, reflective statements, and teaching personal responsibility.
2. Coordinate service activities with assigned CTT co-workers.
 - Participate in team meetings to identify stage of change and treatment for participants.
 - Complete required documentation of contacts through progress notes that meet agency standards. Report directly to CTT co-workers any problems that require response from them or impact on scheduling needs.
 - Assist with development of individual plans of service.
3. Participate in personal and professional growth activities including required training and meeting regularly with the CTT supervisor.
